DAN 3

V sredo zjutraj smo se zbrali pred šolo in se ob 9. uri odpravili proti Postojni. Po včerajšnjem sončnem in prijetnem sprehodu po starem centru Ljubljane, ki je navdušil tako učitelje kot učence, nas je čakal še ogled Postojnske jame. Zagotovo je največ navdušenja požela vožnja z vlakcem in človeška ribica.

Po vrnitvi nazaj je sledilo kosilo in delavnice. Učenci so igrali četrto Master Your Emotions socialno igro, imenovano Komuniciram in se razvijam s svojo ekipo. Glavni namen igre je spodbujanje timskega dela in razvijanje komunikacijskih sposobnosti. Učence smo razdelili v več skupin, vsaka pa je prejela tri različne scenarije.

Njihov lik se je znašel izgubljen na neznanem otoku, v temačnem gozdu in na čolnu sredi oceana. Kot ekipa so se morali dogovoriti, katere predmete bi potrebovali za vrnitev nazaj domov. Na igralne karte so zapisali, kako bi predmete uporabili, nato pa so se pogovorili in zapisali rešitve za varno potovanje do doma. Pri tem je bilo še posebej pomembno, da so v skupini vsi sodelovali, se poslušali in izmenjali mnenja. Svoje rešitve in izdelane scenarije so učenci predstavili drugih ekipam.

KOMUNICIRAM IN SE RAZVIJAM

WORKSHEET 2

Scenario 2

I wanted to go on an adventure alone. I sailed to the ocean in a not-so-safe boat. I didn't take a map with me because I was very confident in my direction information. My goal was to spend a few hours in the ocean and return home. Now wherever I turn in the ocean, everywhere feels the same. I think I'm lost. Can you help me get home?

HOW WILL I GET BACK TO MY HOME?

Using the compass to have a direction to go.
Using a motor for the boat so we can get back faster.
Fireworks in case there will be ships so we can make a notice.

Scenario 3

My brother and I wanted to spend some time in the forest. My father also prepared a picnic set for us. We had a great time, we almost finished everything in the basket. It was a fun day. We did not understand how the time passed. We were returning home the way came, but the way we came did not lead home. It's almost evening, I think we're lost. Can you help us get home?

WILL I GET BACK TO MY HOME?

Since it's almost evening, we'll use the lantern to see the map and the compass. We would try to phone our parents or the authorities while keep walking. And just in case we're gonna spend the night there, a tent will be helpful.

5 OBJECTS THAT WILL HELP ME

BACK HOME

1. a compass
2. a lantern
3. a map
